COMPUTERS
Department 21

Check-In: All Classes, Tuesday, 6 - 8 p.m., Exhibition Hall

Judging: Exhibition Hall: Tuesday, 6 - 8 p.m.
Individual Conference

Department Chairperson: Scott Hartman, 873-7583

Eligible 4-H Project Areas: Computers

Regulations:

1. These self-determined creative computer projects will make use of computers or computer technology in activities with focus on one of these goals: community involvement, healthy living, caring for others or creative/organized learning.
2. Each project member will set a learning goal and be able to demonstrate progress in some tangible way.
3. **If your presentation is to be shown on a computer, you must bring your own laptop for judging. You are strongly encouraged to also bring a print out of your presentation/exhibit in case a computer and/or internet service is not available or functioning properly.**
4. Otherwise, please bring a display of your project to leave on the table during the fair. A display may be a report, a model, photos, poster or actual article.
